

WISH YOU WERE HERE

FAMILY DEVOTION

Week 2: Ephesians 1:3-14

1. What would you say are your greatest blessings in life? Is there any price you would pay or thing you would trade these blessings for? Why?/Why not?
2. Have you ever been chosen for a special or important job/project? How did it make you feel to be singled out in such a positive way?
3. Have you ever been rejected or passed over for a special or important job/project? What feelings or emotions did you wrestle with from that experience?
4. In this week's passage in Ephesians, Paul writes that not only has God chosen us, but that He has adopted us into His family as His children. What does this mean to you and for you?
5. Do you believe God has a will or a master plan? Do you believe God's perfect will is always accomplished in the world or are there variables that can change God's will?
6. Have you ever wondered or asked God what His will is for your life or how you fit into His will? Do you believe you have discovered that answer for your life? If so, has that changed the way you see yourself?
7. If you've been searching for God's will for your life and feel like you haven't figured it out, have you considered you may already be living in God's will? How does this reality change your mindset?

This Week's Prayers

1. This week, pray a prayer of thanksgiving for God blessing you by choosing & adopting you.
2. Also, this week, pray for increased clarity about God's will for your life. Try to not see this as always big, "flashy" things, but pray this week for God to show you how you can make a big impact even in the small things.
