

WISH YOU WERE HERE

FAMILY DEVOTION

Week 7: Ephesians 3:14-21

1. Think about your father & your relationship with him. Does your experience with your earthly father make it easier or more difficult to see God as your Heavenly Father, and in what ways?
2. This week we talked about representing our earthly fathers because we are our earthly fathers' children. In what ways do Christ-followers represent God?
3. This week we discussed gaining strength through the power the Holy Spirit provides. What are some ways in which you personally gain spiritual strength?
4. Along with asking for strength, we discussed the idea of being connected to God as our ultimate spiritual power source. In other areas of your life, (physical, mental, emotional) what things do you find that take the most energy out of you? What things/activities/people in your life “recharge your batteries” when you begin feeling low on energy?
5. Ephesians 3:20 says God can do “far more abundantly” than we can ask or even think. What is the biggest or most impossible thing you ever asked God for? What was the result of that prayer?
6. Has there ever been something you did not (or have not) asked God for because you thought it was too big, too much, or impossible? Why? What do you think might happen if you asked God for that “impossible” thing?
7. Who are a few people in your life you love the most? Is there any limit to your love for them? How do you feel to know God's love for you is the greatest love ever expressed & ever known? How do you know God loves you? How do you/can you this week express your love for God in return?

This Week's Prayer

“God, You are my perfect Father, and Your love for me knows no bounds. Thank You for eternally, unconditionally loving me. You are my power, my strength, and my rest, so I lean into You. You can do all things for me, even things that seem too big or impossible, so I trust in You for all my needs. Thank You for being a powerful, limitless, faithful Father. Amen.”
